Dr. Chung's request for admission number 5: "Question 5: Please state the applicable standard of care that is expected of a senior, experienced registered nurse who is the Medical Director for a division of a Medical Center." These are examples of Dr. Chung's egregious breaches of the standard of care. 23 More... White Lightning II Sirius Racing was founded by two long-time friends, Dave Phillips and Chris Abel, to provide well-crafted, high-performance and reliable bikes to the growing number of racers using fixed gear bicycles. Dave and Chris are both skilled cyclists themselves, and use their experience to ensure our bikes are built with high performance and attention to detail. In 2008, Sirius Racing were pleased to win the 2008 National Under 23 Fixed Gear Championship, and it was the industry award for the Biggest Customer Achievement. Since then Sirius have been developing and improving not only the quality of their bikes, but the
